

# Accessibility Statement for 1099healthins.com

We at 1099healthins.com are committed to ensuring accessibility for all our users. We strive to continually improve the user experience for everyone, and we actively work to comply with the most relevant accessibility standards, including the Web Content Accessibility Guidelines (WCAG) 2.1.

## Our Commitment

We are dedicated to making our website accessible to individuals with disabilities, and we aim to ensure a seamless and inclusive browsing experience for all users.

## Accessible Features

- **Alt Text:** We provide alternative text descriptions for images, ensuring that all users can understand the content.
- **Keyboard Navigation:** Our website is designed to be navigable and usable via a keyboard interface, facilitating access for individuals who rely on keyboard navigation.
- **Readable Fonts and Colors:** We've chosen fonts and colors that are easy to read for most users, including those with visual impairments.
- **Headings and Structure:** We use proper HTML heading structures to enhance the usability and navigation of our content.

## Ongoing Efforts

We are actively working on improving the accessibility of our website. Some of the initiatives we are implementing include:

- Regular accessibility audits to identify and address potential issues.
- Training our development team on accessibility best practices to ensure ongoing compliance.
- Incorporating user feedback to enhance accessibility and usability.

## Contact Us

If you have specific accessibility concerns or feedback regarding our website, please contact us:

- Email: [luis@1099healthins.com](mailto:luis@1099healthins.com)
- Phone: 833-833-1099

## Accessibility Standards

Our efforts to maintain accessibility are in line with the Web Content Accessibility Guidelines (WCAG) 2.1, which are endorsed by the World Wide Web Consortium (W3C). We aim for conformance at the AA level, which is seen as a standard of accessibility.

## Feedback

We welcome your feedback on the accessibility of 1099healthins.com. Please let us know if you encounter accessibility barriers on our website:

- Email: [luis@1099healthins.com](mailto:luis@1099healthins.com)

We will strive to address your concerns and make the necessary improvements to enhance accessibility.
